

Attorney Docket No. RD1003.UPA

CLAIMS

I claim:

1. An accessory pocket for attachment to a garment comprising:
an inner enclosure having a border portion directly attached to said garment and a translucent interior portion;
a first attachment means attached to said garment in spaced relation to the border portion; and,
a flap attached to said garment in spaced relation to said inner enclosure and said first attachment means, said flap having a second attachment means adapted for releasable engagement with said first attachment means, said flap sized to completely cover said translucent interior portion of said inner enclosure.
2. The accessory pocket of claim 1 wherein said first and second attachment means allow for substantially watertight engagement of said flap to said first attachment means.
3. The accessory pocket of claim 1 wherein said enclosure includes an opening defined by a top edge, and wherein sealing means is provided for sealingly engaging said top edge to said garment.
4. The accessory pocket of claim 1 wherein said flap includes a bottom edge, said bottom edge attached to said garment in spaced relation from a corresponding lower edge of said enclosure.
